THE COMPLETE GUIDE

Beachfront stays on
Perhentian Besar Island @
The Barat

Blessed with white sands
and turquoise waters,
The Barat Perhentian offers
a welcoming island
escape for families, couples,
and adventurers.

Set along the southwest coast of **Pulau Perhentian Besar**, Barat Perhentian Beach Resort offers a relaxing island escape accessible by boat. Founded in 2015 and refurbished in 2024, the resort features modern beachfront-style chalets designed for comfort and a welcoming island atmosphere.

With 95 rooms and chalets — 43 newly built units and 52 refurbished rooms — the resort caters to couples, families, and groups.

Guests can enjoy waterfront dining, a 40-person meeting room, and a Dive Center offering snorkeling trips and PADI-certified diving. Nearby beaches and scenic hiking trails provide more ways to explore the island.

Ideal for holidays, retreats, weddings, and team-building events, the resort offers activities such as scuba diving, discover dives, snorkeling, and guided hikes.

A water taxi service at our jetty provides easy access to other beaches and villages.

At Barat Perhentian, we're committed to warm hospitality and memorable island experiences for every guest.
